The City of Sequim Hosts Open House on New Police Station and City Hall

The City of Sequim is hosting an Open House Meeting, which will focus on the new Police Station and City Hall, on Monday, June 11, 2012 from 2:00 p.m. to 6:00 p.m. in the Sequim Transit Center located at 190 W. Cedar Street in Sequim.

The purpose of the Open House is to provide an opportunity for public review of the work to date on the preliminary planning for a new Civic Center, which will include a new Police Station and City Hall. At the meeting, attendees will have the opportunity to review potential site plans, projected space requirements, and cost estimates for the new facilities and for the City to receive public comment. Information on the history of Sequim Police Station and City Hall facilities will also be provided.

The Sequim City Council has placed a public safety sales tax proposal on the August 7, 2012 ballot. The proposed tax would be a .1% increase in the sales tax collected inside the city. This increase will add one cent to a \$10 purchase. If approved the tax would generate approximately \$240,000 per year to pay for the construction of the new Police Station.

The Sequim City Council encourages the public to attend the Open House and to provide their comments and input on the planning for the new facility.
